

Product Picture

Product features

- ⚙ Automatic dynamic networking, with self-healing function.
- ⚙ Multi communication methods.
- ⚙ Automatic primary route relay function.
- ⚙ Local or remote shutdown in emergency circumstances.

Technical Data

Product Code	Beebox-PLC
TECHNICAL DATA	
Maximum Input Current Per String	15 A
Support Strings	2 Strings
Maximum System Voltage	1000 V / 1500 V
Voltage & Frequency	100 ~ 240 Vac 50/60 Hz
INSTALLATION SPECIFICATION	
Connector	Compatible with MC4
Ingress Protection	IP54
Size (L*W*H)	220 x 210 x 65 mm
Weight	800 g
Working Temperature	-20 ~ 60°C
Communication Method to Optimizers	PLC
Data Transmission Frequency	5 Minutes Per Time
Default Internet Access	LAN+WIFI
SHUTDOWN	
Local Rapid Shutdown Function	Yes
Remote Rapid Shutdown Function	Yes
Open Circuit Voltage	Yes (Optional)
Automatic Shutdown After Power Failure	Yes (Optional)
